## **The Decades of Life: A Guide to Human Development Donald Capps**

In groundbreaking fashion Donald Capps builds on Erik Erikson's work on the eight stages of life by focusing on the decades of life. This important modification allows developmental theory to be applied to the way people discuss life stages--in ten-year periods. Capps integrates the insights of psychology with those of pastoral care to show pastors and students how the decades of life help us all to understand the journey of life.
