An oath sworn or a secret kept, which will prove the strongest? On the last battlefield against a ruthless invasion, only two soldiers of Bachar remain. Now Wylm Kanu and Onero Seon, best friends since childhood, are compelled to an unwanted adventure. On each new encounter they must determine: who can be trusted, and who is an IMPOSTER. Driven by oaths, prophecies, and the will to survive, their only constant will be certain death down every path. Staying alive will require a miracle, and staying friends may require more than that. This is the first book of the House of Kanu series and Kings of Geongalann trilogy. follow the descendants of Hamyn Kanu as they play pivotal roles in most of the major events between now and the ferocious final battle. Whether for good, evil, or somewhere in between, the House of Kanu will make its name known. Imposter is an action-adventure that takes our heroes through many lands and among many peoples. It is a world of long histories and many wars. It is a story of prophets, warriors, and kings. Behind the scenes, the supernatural seems to be at play, whether the characters want to believe in it or not. Though a reader might not find much in the way of Christian allegory in the story, the author would say that the whole book is inspired by the Scriptures. He would describe the story as a fantasy, like Lord of the Rings, without the magic of Harry Potter.
