Pobreza, desarrollo y globalización en el sur del sur (Spanish Edition)

Muakuku Rondo Igambo

Pobreza, desarrollo y globalización en el sur del sur (Spanish Edition) Muakuku Rondo Igambo

¿Qué cúmulo de circunstancias adversas ha llevado a Africa, un continente exuberante, con inmensas riquezas en el subsuelo y una cultura humana equilibrada, a convertirse en un territorio en donde la pobreza, el hambre y los conflictos hacen huir a sus pobladores hacia la emigración? Muakuku, guineano afincado en Barcelona, conoce a fondo, como economista que es, los mecanismos de la cultura occidental y la gran potencialidad humana de Africa. Para el autor las largas relaciones de Africa con Occidente sólo han servido para agravar más los problemas, por ello ante el proceso de globalización al que estamos abocados, Muakuku propugna que sean los africanos quienes diseñen y protagonicen su propia evolución, estableciendo unas relaciones democráticas en un entorno de libertad. En el aspecto económico defiende la potenciación del mercado interior africano (globalización interna) para así poderse incorporar en condiciones de igualdad al comercio internacional.
