Tetos profissionais (Portuguese Edition)

Roberto Cardoso

Tetos profissionais (Portuguese Edition) Roberto Cardoso

A obra trata daquilo que o autor denomina "tetos profissionais" - também chamado por outros estudiosos de "limiar de incompetência" - ou seja, o ponto na carreira a partir do qual o profissional deixa de ser competente, por ter sido erigido a um posto incompatível com sua capacidade técnica ou personalidade, ou para o qual não estava preparado. Tais limitações podem ser de ordem técnica, objetivas ou comportamentais, subjetivas, mas em algum momento ficarão em evidência pelas exigências da função a ser desempenhada e, nesse momento, o profissional pode passar por graves dificuldades e, até mesmo, perder seu posto de trabalho. Trata-se, portanto, de obstáculos ou armadilhas que precisam ser antevistos e avaliados criteriosamente, para que possam ser tomadas as precauções necessárias no momento certo, ou seja, ter visão de carreira e de mercado. O autor explica cada um dos possíveis problemas, os quais poderão se tornar empecilhos em algum momento da carreira, com exemplos práticos envolvendo desde os cargos ou funções mais simples até níveis hierárquicos mais altos, e oferece dicas de como prevenir as situações descritas ou contorná-las da melhor forma, caso elas realmente se concretizem. Um livro muito bem escrito, abordando uma questão atual de uma forma interessante e simples, acessível a todos os leitores.
