**Two-way Street** Lauren Barnholdt  
there are two sides to every breakup.

This is Jordan and Courtney, totally in love. Sure, they were an unlikely high school couple. But they clicked; it worked. They're even going to the same college, and driving cross-country together for orientation.

Then Jordan dumps Courtney -- for a girl he met on the Internet.

It's too late to change plans, so the road trip is on. Courtney's heartbroken, but figures she can tough it out for a few days. *La la la* -- this is Courtney pretending not to care.

But in a strange twist, Jordan cares. A lot.

Turns out, he's got a secret or two that he's not telling Courtney. And it has everything to do with why they broke up, why they can't get back together, and how, in spite of it all, this couple is destined for each other.

### **From reader reviews:**

#### **Neil Williams:**

Reading a publication can be one of a lot of activity that everyone in the world really likes. Do you like reading book so. There are a lot of reasons why people love it. First reading a e-book will give you a lot of new facts. When you read a reserve you will get new information simply because book is one of a number of ways to share the information or their idea. Second, looking at a book will make anyone more imaginative. When you reading a book especially hype book the author will bring one to imagine the story how the personas do it anything. Third, you can share your knowledge to other people. When you read this Two-way Street, you may tells your family, friends as well as soon about yours e-book. Your knowledge can inspire the others, make them reading a reserve.

#### **Peggy Ross:**

Do you have something that you want such as book? The reserve lovers usually prefer to pick book like comic, short story and the biggest some may be novel. Now, why not trying Two-way Street that give your entertainment preference will be satisfied by means of reading this book. Reading habit all over the world can be said as the opportunity for people to know world considerably better then how they react in the direction of the world. It can't be mentioned constantly that reading habit only for the geeky particular person but for all of you who wants to become success person. So , for every you who want to start studying as your good habit, you may pick Two-way Street become your current starter.

#### **Robert Defazio:**

Don't be worry for anyone who is afraid that this book will filled the space in your house, you might have it in e-book way, more simple and reachable. That Two-way Street can give you a lot of buddies because by you investigating this one book you have point that they don't and make you actually more like an interesting person. This particular book can be one of a step for you to get success. This reserve offer you information that probably your friend doesn't understand, by knowing more than different make you to be great persons. So , why hesitate? We need to have Two-way Street.

#### **Elizabeth Johannes:**

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Two-way Street can make you feel more interested to read.
