A cult at work with the congregation. The role of women in the church. Money and materialism in Christian circles. Integrity in the ministry. It reads like a checklist of challenges facing today's church, but it's actually an index of the issues dealt with two thousand years ago in Paul's Pastoral Epistles. The overarching theme of these letters resonates with the church in our age too: the need for spiritual leadership.

An excellent resource for personal study, and especially helpful for those involved in the teaching ministries of the church, the Wesleyan Bible Study Commentary series will encourage and promote life change in believers by applying God's authoritative truth in relevant, practical ways. Written in an easy-to-follow format, you will enjoy studying Scripture insights that are faithful to the Wesleyan-Armenian perspective.
