Falconry - With Introduction and Chapters on: The Modern Falconer, Implements Used and a Glossary of Terms Gerald Lascelles

This early handbook is both expensive and hard to find in its first edition. A concise look at falconry that will prove of great interest to the falconry enthusiast and historian of the sport. Extensively illustrated with black and white diagrams and drawings. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
