## How Much Will She Risk For Love?

Fired from her prestigious job, journalist Allison Wakefield is now working for a tabloid newspaper, and she's desperate to find a way to get her career back on track. Her new assignment, an explosive story involving mysterious bestselling author Jacob Covington, could be the answer. When Allison first encounters the author while visiting her aunt's home on Idlewild Lake in Michigan, she realizes that Jacob is one subject she wouldn't mind getting to know more intimately....

But as they work side by side during Jacob's book tour, Allison finds herself falling in love—and in a dilemma about what to do. The exposé is her ticket to success, but revealing the truth about Jacob's past as a State Department undercover operative could jeopardize his career—and destroy a summer romance that holds the promise of a lifetime of happiness.
