The Fairy Godmother Academy #2: Kerka's Book Jan Bozarth

For girls who are fans of Harry Potter and have outgrown the Disney Fairies series and the American Girl books, the Fairy Godmother Academy is the perfect series—fantasy books filled with magic and adventure but grounded by contemporary girls and issues.

The series boasts an amazing Web site that allows girls to enter the world they visit in the books. There they can do activities both on- and offline, vote for things they'd like to see in the books, and connect with other Fairy Godmother Academy fans.

Kerka Laine is not one to sit around and let things happen to her. She knows from her adventure with her friend Birdie that she comes from a long line of fairy godmothers and that she's destined to start training as a fairy godmother herself. She just hates waiting for the training to begin! When her dreams take her to Aventurine, the place where girls go to unlock their own special kind of magic, Kerka is more than ready. What she is not prepared for is the quest that the fairies give her: She must find her younger sister's voice before the sun rises on a mountain range called the Three Queens.

Kerka loves a challenge, but how can she find something that is invisible? In this second Fairy Godmother Academy book, Kerka begins the dangerous journey that will determine not only her future as a fairy godmother but also the fate of her sisters.

Join the Fairy Godmother Academy!

Visit the Web site for games, activities, and networking with friends!

Dianne Haire:

Many people spending their time frame by playing outside together with friends, fun activity together with family or just watching TV the entire day. You can have new activity to shell out your whole day by looking at a book. Ugh, ya think reading a book can definitely hard because you have to take the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Mobile phone. Like The Fairy Godmother Academy #2: Kerka's Book which is keeping the e-book version. So , try out this book? Let's view.

Cathy Kerby:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Fairy Godmother Academy #2: Kerka's Book can make you really feel more interested to read.
