## **The First Epistle to the Corinthians** Gordon D. Fee

Incorporating the best elements of previous works, this replacement volume in the New International Commentary on the New Testament offers a readable, verse-by-verse exposition of the English and Greek texts of First Corinthians. Fee strives to show how each part of the text fits into the historical-literary context, and to exegete the book from a single, consistent point of view. At the same time he is concerned with the texts relevance for today.
