Among the lofty spires of Asgard, Young Thor is the strongest, brashest and most arrogant god of all. Cast down to Earth into the crippled mortal form of Dr. Donald Blake, follow the Thunder God's journey of self-discovery and a mortal man's awakening to the power within. Revisit the fantastical origin of the Son of Odin in this new graphic novel, which thrusts the tale of Thor into the modern age with thunderous results! In this epic saga of towering frost giants, belching maidens and massive battles, one hero must decide which identity is truly his - before both of the worlds he loves are destroyed!
