Wisconsin Uprising Michael D. Yates

In early 2011, the nation was stunned to watch Wisconsin's state capitol in Madison come under sudden and unexpected occupation by union members and their allies. The protests to defend collective bargaining rights were militant and practically unheard of in this era of declining union power. Nearly forty years of neoliberalism and the most severe economic crisis since the Great Depression have battered the labor movement, and workers have been largely complacent in the face of stagnant wages, slashed benefits and services, widening unemployment, and growing inequality.

That is, until now. Under pressure from a union-busting governor and his supporters in the legislature, and inspired by the massive uprisings in Tunisia and Egypt, workers in Wisconsin shook the nation with their colossal display of solidarity and outrage. Their struggle is still ongoing, but there are lessons to be learned from the Wisconsin revolt. This timely book brings together some of the best labor journalists and scholars in the United States, many of whom were on the ground at the time, to examine the causes and impact of events, and suggest how the labor movement might proceed in this new era of union militancy.

From reader reviews:

William Marquis:

In this 21st century, people become competitive in most way. By being competitive now, people have do something to make these survives, being in the middle of the actual crowded place and notice through surrounding. One thing that at times many people have underestimated it for a while is reading. Yeah, by reading a reserve your ability to survive improve then having chance to stand than other is high. For yourself who want to start reading a book, we give you this specific Wisconsin Uprising book as starter and daily reading guide. Why, because this book is more than just a book.

William Delacruz:

Reading a guide can be one of a lot of action that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new information. When you read a e-book you will get new information mainly because book is one of several ways to share the information or even their idea. Second, reading through a book will make you actually more imaginative. When you examining a book especially hype book the author will bring you to definitely imagine the story how the people do it anything. Third, you may share your knowledge to others. When you read this Wisconsin Uprising, you may tells your family, friends along with soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a publication.

Jessie Orlando:

Playing with family within a park, coming to see the ocean world or hanging out with pals is thing that usually you will have done when you have spare time, subsequently why you don't try thing that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Wisconsin Uprising, it is possible to enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't get it, oh come on its named reading friends.

Merlin Doyle:

This Wisconsin Uprising is great guide for you because the content that is certainly full of information for you who also always deal with world and still have to make decision every minute. This particular book reveal it details accurately using great plan word or we can declare no rambling sentences within it. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but hard core information with attractive delivering sentences. Having Wisconsin Uprising in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no publication that offer you world inside ten or fifteen moment right but this book already do that. So , it is good reading book. Hi Mr. and Mrs. stressful do you still doubt in which?
