Can't Stop What's Coming, Can't Stop What's on Its Way Mike Zimbouski

Hey there. My name's Mike and I wrote a bunch of short stories. I think they're mostly pretty good and I hope you do too if you read them. They're not really any particular kind of story, they're mostly just about ordinary kind of people dealing with life stuff and various weirdness, problems with jobs, money, relationships, hopes and dreams for the future, old regrets and bad decisions, shameful secrets and loved ones who don't understand, past traumas, the portentous weight of history, crushing existential crises, apocalyptic paranoid fears, remote and covert decisions that have wide-ranging effects, ecstatic visions that might be symptoms of insanity, and civilization-quaking transformations. All kinds of stuff like that there. Hope you like them and feel free to let me know what you think.
