## Deep Creek Dana Hand

Idaho Territory, June 1887. A small-town judge takes his young daughter fishing, and she catches a man. Another body surfaces, then another. The final toll: over 30 Chinese gold miners brutally murdered. Their San Francisco employer hires Idaho lawman Joe Vincent to solve the case.

Soon he journeys up the wild Snake River with Lee Loi, an ambitious young company investigator, and Grace Sundown, a *métis* mountain guide with too many secrets. As they track the killers across the Pacific Northwest, through haunted canyons and city streets, each must put aside lies and old grievances to survive a quest that will change them forever.

*Deep Creek* is a historical thriller inspired by actual events and people: the 1887 massacre of Chinese miners in remote and beautiful Hells Canyon, the brave judge who went after their slayers, and the sham race-murder trial that followed.

In this enhanced ebook edition, *Deep Creek* teams history with invention, setting authentic photographs and maps alongside the authors' brilliant fiction to illuminate this long-forgotten American tragedy, in a tale of courage and redemption, loss and love.

The *Washington Post* has named *Deep Creek* a Best Novel of 2010, and *The Daily Beast/Newsweek* ranked it among the dozen best Western novels since 1960.
