**El rencor (Spanish Edition)** Fabrizio Mejía Madrid

*El rencor* es una novela irreverente sobre la esencia de la cultura priista. Max Urdiales, un político gris y fanfarrón, es llamado para cumplir con una tarea que sólo él puede hacer: encontrar al anciano y temible Licenciado X., quintaesencia del priismo; ha pasado por las tres etapas de todo militante del Partido Único: porrista, policía secreto y hombre de negocios nunca diáfanos. Max Urdiales nos narra episodios claves de la historia política de México en los setenta años de PRI. Nos dejará ver, gradualmente, su verdadero rostro y el de la política mexicana; y a la vez, hace un viaje interior hacia su propio rencor: no pertenecer a la clase política a pesar de ser leal a ella.

Ágil, irreverente, *El rencor* retrata al país del Partido Único, el PRI, que parece muerto y enterrado pero cuyo espectro todavía nos acecha.
