Fuego en el alma y en la vida infierno: 0 (Literatura) (Spanish Edition) Pedro Bosch

El doctor en física, Pedro Bosch Giral, recurre al género novelístico para hablarnos del fuego y las múltiples formas en que éste se nos presenta. Más parecido a la novela negra estadounidense que a las policiacas inglesas, un investigador privado es contratado para resolver un crimen violento. En busca de la identidad del asesino, se hace un recorrido por todas las formas en que el fuego y el hombre entran en contacto en la vida moderna.
