A storm is brewing... Who is ready for the coming showdown?

*Shifting Shadows of Supernatural Power* charts the storm brewing between the power of God and schemes of the enemy; and encourages believers to step out of the shadows and into the Light.

A history of the prophetic movement in the United States combined with interviews of many well-known prophetic voices such as Jill Austin, Heidi and Roland Baker, Todd Bentley, Stacey Campbell, Randy Clark, Graham Cooke, James Goll, Bill Hamon, John Paul Jackson, Rick Joyner, and Patricia King serve as a compass to navigate the storm and change the course of a too-complacent, intellectual church.

The author equips you to:

- Step into God's presence.
- Define shifting shadows' origins.
- Sharpen your discernment.
- Recognize converging movements.
- Increase in power and authority.

Arm yourself with knowledge to distinguish the difference between power that comes from God, the enemy, or even yourself. By tapping into God's authentic power and using His gifts of the Spirit, you will access His supernatural signs and wonders---today.
