She's the game I never intended to play

And I am the game changer she never knew she needed!

I am the **rugby superstar** - Declan Meadows

Net worth: **\$5.5 billion**

Devilishly handsome – I know it because I was the prom king three years in a row

Super intelligent – *I can read a woman's mind even though girls are.....casual to me*

Certified master of female o*ga*ms – yes, that's what all my women tell me

And yet, I take pride in saying,

I AM NOT THAT KIND OF A GUY!

I always call the next day and if you are good, I always take you out on a date.

Yes, I am a gentleman.

Alright, let me admit – I haven't put in so much of an effort trying to find my kind of a woman.

Until Mallory Linden!

Oh... **she is voluptuous, curvy at the right places, gorgeous and owns the sexiest pair of legs!**

And her attitude – it commands attention from everyone within her orbit! (I can still see those insecurities...I told ya..I am super intelligent!)

How could I have missed her?

We have been at the same place for quite some time now.

No matter why I missed her, I am now determined to make her mine and it has taken just a spur of a moment for me to take that decision.

I will do all that it takes to own her, captivate her and consume her.

Well that's me!

And this story?

Alright, that's us!

Author's note: This is a short, standalone story with HEA – intended for mature audience only due to explicit scenes and language. Enjoy your surprise bonus inside!
