The Rescued Dog Problem Solver: Stories of Inspiration and Step-by-Step Training Techniques to Ensure Your Rescue Success Tracy J. Libby

The tides of dog ownership are changing, and thanks to Hollywood A-Listers like George Clooney and Sandra Bullock and music icons like Justin Bieber and Taylor Swift, animal rescue has become as fashionable as the latest Valentino or Armani. Millions of ordinary Americans—heroes one and all—have opened their hearts and homes to rescue dogs, and fewer abandoned pets are euthanized in the U.S. than ever before. And still, a look at HSUS statistics reminds us how far we have to go: an estimated three to four million pets are euthanized annually, a very significant improvement from the 1980s when the number was closer to sixteen million.

To keep America's adoption trend moving forward and to guarantee that rescued dogs stay in their new forever homes, Tracy Libby's *The Rescue Dog Problem Solver* seeks to make the story of every adopted dog a predestined success. While most dogs wind up in shelters due to no fault of their own, many rescue dogs develop unwanted behaviors while living with their previous owners. To assure their success with their adopted dogs, rescuers must be prepared to handle and confidently resolve behavioral problems that arise through proven positive-training methods. This eye-opening problem-solving guide, filled with empowering stories of rescued dogs that defied the odds, is dedicated to the success of every rescuer and his happy, healthy companion dog.

INSIDE TITLE OF BOOK

50 ways rescuers can overcome potential challenges with their adoptive dogs

200 training and behavior tips for a well-mannered dog

25 secrets to unraveling common behavior issues, from house-soiling and escaping the yard to biting, barking, and hyperactivity

A dozen heartwarming stories of real-life rescue dogs and their adoptive parents
Countless ways dog lovers can raise awareness about animal rescue and responsible pet ownership in their communities
