330 juegos y actividades para el tatami (Artes Marciales nº 54) (Spanish Edition) Simón Pedro Fuentes Navarro

Este libro es una herramienta eminentemente práctica que ayudará al profesor en sus clases de artes marciales con niños de 6 a 12 años. La introducción del juego como recurso didáctico facilita la adquisición de los gestos técnicos y hábitos, necesarios en la práctica de cualquier arte marcial, de un modo natural para el niño que, a estas edades, vive, aprende y se relaciona a través del juego.

Los juegos se clasifican según las distintas partes en las que se estructura una sesión-clase: calentamiento, parte central y vuelta a la calma.

Así el profesor conseguirá sesiones bien estructuradas y organizadas haciendo coincidir los objetivos de los juegos.
