Ethics and War (Cambridge Applied Ethics) Steven P. Lee

What are the ethical principles underpinning the idea of a just war and how should they be adapted to changing social and military circumstances? In this book, Steven P. Lee presents the basic principles of just war theory, showing how they evolved historically and how they are applied today in global relations. He examines the role of state sovereignty and individual human rights in the moral foundations of just war theory and discusses a wide range of topics including humanitarian intervention, preventive war, the moral status of civilians and enemy combatants, civil war and terrorism. He shows how just war theory relates to both pacifism and realism. Finally, he considers the future of war and the prospects for its obsolescence. His clear and wide-ranging discussion, richly illustrated with examples, will be invaluable for students and other readers interested in the ethical challenges posed by the changing nature of war.

From reader reviews:

Kathleen Land:

What do you think of book? It is just for students since they're still students or the idea for all people in the world, what best subject for that? Merely you can be answered for that issue above. Every person has diverse personality and hobby for every other. Don't to be pushed someone or something that they don't want do that. You must know how great and also important the book Ethics and War (Cambridge Applied Ethics). All type of book could you see on many sources. You can look for the internet methods or other social media.

Linda Pinkerton:

The particular book Ethics and War (Cambridge Applied Ethics) will bring you to the new experience of reading a new book. The author style to describe the idea is very unique. In the event you try to find new book to see, this book very ideal to you. The book Ethics and War (Cambridge Applied Ethics) is much recommended to you you just read. You can also get the e-book in the official web site, so you can easier to read the book.

Daphne Shew:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Ethics and War (Cambridge Applied Ethics) can make you really feel more interested to read.

Joshua Allen:

What is your hobby? Have you heard that will question when you got scholars? We believe that that question was given by teacher with their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person similar to reading or as studying become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You discover good news or update with regards to something by book. A substantial number of sorts of books that can you choose to use be your object. One of them are these claims Ethics and War (Cambridge Applied Ethics).
