Laura Valenti viene trovata morta, soffocata da un incendio divampato nella sua casa nel bosco. Tommaso Rubertà, responsabile delle indagini, inizia a scavare nella vita della donna, e lo fa partendo da alcuni fogli, risparmiati dal fuoco, di cui è venuto in possesso. Le parole di Laura si intrecciano così a quelle di Fabio, il marito, in un continuo alternarsi di presente e passato e di voci narranti che non può non confondere il maresciallo. Uomo d'azione, disincantato, questi nasconde la propria debolezza dietro una maschera di concretezza e razionalità destinata ben presto a sgretolarsi di fronte alla disarmante complessità della Valenti, sulla quale Rubertà proietta se stesso e un passato non certo sereno. Romanzo giallo, ma soprattutto discesa nell'intimo delle contraddizioni umane, *Una tigre in giardino* fonde, grazie alla sensibilità dell'autrice, diversi generi, registri, influenze. Così la scrittura si unisce alla pittura, e quel che ne nasce è l'affresco, vivido e vitale, di un cammino nel mistero.
