## **Nur Jahan of India (The Thinking Girl's Treasury of Real Princesses)** Shirin Yim Bridges

From the deepest heart of the Moghul palace, tucked away in purdah, her face hidden by veils, one princess came to rule all of Moghul India. She introduced efficiencies, encouraged trade, and made possible a great flowering of the arts. What gave her this power was love. This is a love story, the story of Nur Jahan, who, without breaking any of the rules, hunted tigers, rode elephants to war, commanded a nation from behind a curtain, and did many other things that girls were not expected to do.

Richly illustrated and narrated with humor, The Thinking Girl's Treasury of Real Princesses brings to life the stories of real and remarkable princesses who managed to do what few thought possible.
