CHALLENGE ME WITH MONSTERS!

“From between the two shuffling dancers padded something on four feet. The canine-feline creature was more than just a head; it was a loose-limbed, graceful body fully eight feet in length, and the red eyes in the prick-eared head were those of a killer.... Words issued from between those curved fangs, words which Dane might not understand....

“Dane slid his blade out surreptitiously, setting its point against the palm of his hand and jabbing painfully; but the terrible creature continued to advance.... There was no blurring of its lines....”

Dane Thorson of the space-ship *Solar Queen* knew there was only one way to win out over this hideous thing—a battle to the end between his rational mind and the hypnotic witchcraft of Lumbrilo, the mental wizard of the planet Khatka.
