## **Boy Loves Brooklyn** Richard Grayson

Richard Grayson has been keeping a daily diary compulsively since the summer of 1969, when he was an 18-year-old agoraphobic about to venture out into the world - or at least the world around him in Brooklyn. His diary, approximately 600 words a day without missing a day since August 1, 1969, now totals over 9 million words, rivaling the longest diaries ever written. But Grayson is not merely an eccentric with graphomania. His books of short stories have been praised in reviews by Rolling Stone, The Los Angeles Times, The New York Times Book Review, The Philadelphia Inquirer, Publishers Weekly, Library Journal and Best Sellers. This is Grayson's diary for 1971, when he was a college sophomore and junior.
