Maurice's Room Paula Fox

A hilarious tale from Newbery Medal winner Paula Fox: Maurice loves to collect things—but what happens when he collects *too many* things?

Eight-year-old Maurice is a collector. It doesn't matter how big or how small it is—if he likes something, he'll bring it home with him. His newest addition is a dried octopus hanging by a string from the ceiling. There's also a bottle of dead beetles, four painted turtles, and practical stuff like nails, screws, and wires.

His parents have tried everything to persuade Maurice to get rid of the junk, giving him trumpet lessons and even a dog, but nothing can compare to the pleasure of discovering treasures in the nooks and crannies of New York City. Then one day, his parents tell him they have a surprise . . .

A humorous and heartwarming story from Hans Christian Andersen Award–winning author Paula Fox, *Maurice's Room* is perfect for kids of all ages marching to the beat of their own drums.
