*A true account of the author's drug dealing past that turned into trumped up organized crime charges over a bad business deal with the fabricator of Custom Craft Harley Davidson's.*

*Another true account of how the corrupt California Prison Union used terror tactics with then Governor Arnold Schwarzenegger relating to the 3 Strikes Law. Harvard lawyer Daniel Morris has since confirmed it with, "A shameful lie."*

Roll Call is a true prison story with a cast of characters that include Mexican drug cartels, Southern California street gangs and Hell's Angels all fighting for their piece of the drug culture. In the middle of it all, B.J. is hell bent for destruction until he realizes his destiny in the nick of time.

Add a good detective squeezed out of the loop by an overzealous narcotic detective; a robust prison union trying to call the shots; a handful of drug criminals trying to find their conscience and you have the perfect recipe for a revolutionary uprising, bound by blood, all leaving the reader wondering, who are the real criminals?
