Charly St. James takes on her biggest challenge yet when her television show goes for a ratings sweep by making over the life of a not-so-willing small-town teen with a big secret. . .

Charly St. James is on top, and she's determined to keep it that way. That's why she and the producers have come up with a plan to take The Extreme Dream Team to the next level--by turning loners into VIPs. After all, how can you enjoy your new digs if your life is jacked up?

But when Charly meets her first makeover, Nia, she knows she'll have to do more than dress her up and boost her self-esteem. Nia is living in the shade of her twin sister, who is luxuriating in a major case of pretty girl syndrome. And the more Charly tries to get Nia to shine, the more her twin sabotages her mission. Good thing Charly loves a challenge, 'cause these twins' troubles are more than skin deep. . .
