## We Live Forever PMH Atwater

P.M.H. Atwater is still alive, but she has actually died three times. Since those experiences, she has traveled, studied, spoken, and written about what happened to her, and what will happen to all of us, when we die. She not only offers details and deep insights into what really happens when you die, but what it truly means to be alive! She also explores such mysteries as heaven and hell, the soul's existence after death, life after death, and the power of prayer.
