Welcome Home, Cowboy: A Hero's Welcome Novel Annie Rains

With its thriving military base, Seaside, North Carolina, is teeming with heroes of all stripes. But, as the Hero's Welcome series from Annie Rains continues, it takes a cowboy to rescue the town's newest resident from heartache.

After a bad breakup leaves Julie Chandler completely devastated, she comes to Seaside seeking a fresh start. A talented, compassionate yoga teacher, she has developed a program to help alleviate the effects of PTSD, but getting a bunch of bullheaded Marines into downward facing dog might be impossible. So Julie's shocked when one of her first students dives in headfirst—and almost tempts her to take down her walls with his easy smile and electrifying touch.

Ever since Texas cowboy turned Marine pilot Lawson Phillips lost a crew member in a helicopter accident, he hasn't been able to fly. When a psychologist orders him to attend, of all things, a yoga class, Lawson's outraged—until he finds out Julie is the instructor. She's beautiful, graceful, and completely guarded when it comes to his advances, but he's determined to find out what makes her tick. Because underneath Julie's hard shell is a woman Lawson knows he could fall for—and he's not ready for the ride to end.

Includes a special message from the editor, as well as an excerpt from another Loveswept title.
