Alaska Natives and American Laws: Third Edition

David S. Case, David A. Voluck

Alaska Natives and American Laws: Third Edition David S. Case, David A. Voluck

Now in its third edition, *Alaska Natives and American Laws* is still the only work of its kind, canvassing federal law and its history as applied to the indigenous peoples of Alaska. Covering 1867 through 2011, the authors offer lucid explanations of the often-tangled history of policy and law as applied to Alaska's first peoples. Divided conceptually into four broad themes of indigenous rights to land, subsistence, services, and sovereignty, the book offers a thorough and balanced analysis of the evolution of these rights in the forty-ninth state.

This third edition brings the volume fully up to date, with consideration of the broader evolution of indigenous rights in international law and recent developments on the ground in Alaska.
