Fractured Lives (Matched by Magic, Book Three) Jenna Castille

Book three in the Matched by Magic series. Her heart left reeling from yet another disastrous relationship, Nora Renault yearns for a man who can love her despite her half-breed, fox-shifter and kitsune heritages. But time after time, she ends up alone. Once a single, astral-projecting spy, Alexander Dimorus was slammed with a Fae curse, ripping him into two people. As a result, Lex and Xander can't permanently rejoin yet can't live apart. Finding a woman willing to deal with their unique condition seems impossible. Only a paranormal matchmaking service like Divine Intervention could put these three together. And this match explodes with love and ecstasy from the first spark. But when long-lost relatives enter the picture, Nora will have to fight to protect herself or be torn from her newfound soulmates forever.
