**Manhattan ten (4 Book Series) Lola Dodge**

**From Book 1:**

*Kiss your powers goodbye.*

Kidnapping a super-powered suspected felon from a Vegas bachelor party is another day at the office for Jenny Ray, alias Temptress. With one kiss, any naughty supe's powers are hers. Except this time she's caught by her mark's boss, who's no ordinary superhero.

It's Thinktank, leader of the toughest hero crew around. One destroyed men's room and near-toilet-drowning later, Jenny's forced to steal an innocent hero's powers.

For a super brain, Tank's feeling pretty idiotic. First, he let Jenny close enough to get to him. Second, he's helpless against the tide of desire that rises in him every time he kisses her. Which he's doing a lot, since she's trying to give him back his power—only it's not working. As he shadows her on her various freelance casino security jobs, he realizes she's no she-demon—she's a time bomb. Her acquired powers are shredding her, body and soul.

As they give in to desire, a shadowy figure from Jenny's past surfaces with a kidnapping plan of his own. Jenny will do anything—even level Las Vegas—to rescue the man she loves. But there may not be anything left of her when the dust settles.

Warning: Contains high-stakes poker, high-end cocktails, and high-flying over Las Vegas skies. Never drink and fly!
