## One Heart: A Novel Jane McCafferty

*"You're given life, and certain people walk into it. Some make a small but deep impression, like a kid from your second grade class who shows up in your dream every three years. Others walk in and break your heart. You remember them every day. Very few people, maybe one, maybe none, stay with you for the long run. It's a kind of miracle if someone's with you for the long run. A kind of miracle..."*

From the award-winning author of the acclaimed short story collection *Director of the World* comes this stunning debut novel--a charmingly poignant, razor sharp tale of two sisters and the depths and consequences of love that is reminiscent of the works of Anne Tyler, Louise Erdrich, and Barbara Kingsolver.

Gladys and Ivy are sisters, reluctant best friends who have depended upon each other through a shared lifetime marked by grief and loss, including the untimely deaths of Gladys's two children and the end of her passionate yet troubled marriage. While bonded by love and loneliness, the sisters remain divided by a wall of silence and pain that prevents Gladys from accepting the solace Ivy desperately needs to give.

Then one late April day, the pattern of their quiet lives is suddenly ruptured when a dark-eyes young woman with a mysterious past arrives on their doorstep. Quickly befriending Gladys, the intriguing Raelene convinces her to escape on a cross-country jaunt that will become a journey of discovery. Left to contend with the loss of her sister--and a surprise visit from Gladys's estranged husband--Ivy too will contemplate the frayed tapestry of her life and confront emotions long denied.

For Ivy and Gladys, however, personal transformation has just begun. Eventually reunited, the two must face searing truths about themselves, their past, and their relationship--soulful revelations that will ultimately bring them closer or hopelessly keep them apart.

Rich in character, language, and emotion, *One Heart* is a powerful, moving tale of family, friendship, forgiveness, and redemption--a remarkable achievement from an exquisitely talented new writer.
