## Philip Roth at 80: A Celebration Philip Roth

On March 19, 2013, a distinguished group of writers and critics gathered at the Newark Museum's Billy Johnson Auditorium in Newark, New Jersey, to celebrate the extraordinary career and lasting literary legacy of Philip Roth on the occasion of his 80th birthday. This keepsake volume gathers remarks from the evening's speakers, a fitting tribute to the only living novelist whose work is collected in the Library of America series. Here you'll find Jonathan Lethem, hilariously recounting his first consciousness-raising encounter with Roth's work through the Kafkaesque novel *The Breast*; Hermione Lee, tracing the Shakespearian themes in Roth's books, from *Portnoy's Complaint* to *The Humbling*; Alain Finkielkraut, offering a deep reading of Roth's final novel, *Nemesis*; Claudia Roth Pierpont, assessing Roth's portrayal of women in such books as *Sabbath's Theater* and *The Human Stain*; Edna O'Brien, recalling her long friendship with Roth; and the author himself, offering a quintessentially Rothian valediction.
