**Víctimas del misterio (Spanish Edition)** Lorenzo Fernández Bueno

Exorcismos, agresiones de animales desconocidos, ataques de «no identificados», desapariciones sin solución... son algunos argumentos que el autor ofrece en esta obra con la crudeza de un volumen documental amplísimo, que muestra en detalle hasta dónde son capaces de llegar esos seres humanos, que en la creencia de estar «iluminados» por fuerzas superiores, son capaces de cometer los actos más terribles para con sus propios congéneres.
