If you've ever been told that “emotions are unreliable,” you may wonder what your innermost feelings have to do with your Christian walk. But in *Feeling Like God*, Chris Tiegreen explains that no matter how much objective truth we've learned, we can't really relate to God unless we know how he **feels**. As humans made in God's image, we experience nearly the full range of emotions that our Creator does. And whenever the Holy Spirit shows up in Scripture, it always provokes an emotional response, proving that God himself passionately desires to connect with us on an emotional level. Follow Chris Tiegreen beyond an impersonal, distant faith—and learn what it is to feel like God.
