The Yellow Brick Road Gang, otherwise known as Metaphysical Misadventures in the Search for Enlightenment, is a circle of women who came together as a book club. Together they began a spiritual search – one that, after eight years, has led each woman to realize that she's come full circle. After all the mumbo jumbo of philosophy and self help... they have become women without rules.

In the final installment of O'Day-Flannery's uplifting and spiritual paranormal romance trilogy, it is finally Claire's turn to find love. Her closest friends have found new promise in life through love, and while Claire is happy for them, she cannot help but feel left out. A fling under a shower of meteors may not be love, but could be exactly what she needs to shake off the doldrums.

But when secrets from Claire's past return to destroy her, her sexy, nerdy fling shows he's not quite what he seems. Is Claire the next of the Yellow Brick Road Gang to find love in an unexpected place?
