Tales from the Heart: True Stories from My Childhood Maryse Condé

"Honest, exquisitely measured . . . inspiring in its reminder of the human spirit's capacity to endure."—*The New York Times Book Review*

"[An] astute study of family and place."—*Washington Post Book World*

In this collection of autobiographical essays, Maryse Condé vividly evokes the relationships and events that gave her childhood meaning: discovering her parents' feelings of alienation; her first crush; a falling out with her best friend; the death of her beloved grandmother; her first encounter with racism.

These gemlike vignettes capture the spirit of Condé's fiction: haunting, powerful, poignant, and leavened with a streak of humor.

Maryse Condé's previous work includes the novels *Windward Heights* and *Desirada*, both available from Soho Press.
