## **The Unseen** Katherine Webb

“Occult happenings, romantic passion, and murder disrupt the peace of a Berkshire village in 1911 in this hauntingly good novel.”

—*Marie Claire* (UK)

Katherine Webb’s debut novel, *The Legacy*, was an international bestseller—and her remarkable second effort, *The Unseen*, is as gripping, thrilling, and unforgettable as her first. In this compelling story of love, deception, obsession, and illusion, the arrival of two dangerous strangers in a small village in England in the early 1900s disrupts the quiet lives of a vicar with a fascination with spiritualism and his naïve young wife, and ultimately leads to murder. *The Unseen* is literary suspense at its most entertaining and enthralling, truly superior fiction not unlike the captivating tales of Kate Morton and Diane Setterfield.
