Whipping Star

Frank Herbert

Whipping Star Frank Herbert

In the far future, humankind has made contact with numerous other species: Gowachin, Lalac, Wreaves, Pan Spechi, Taprisiots, and Caleban, and has helped to form the ConSentientcy to govern among the species. After suffering under a tyrannous pure democracy, the sentients of the galaxy find the need for a Bureau of Sabotage (BuSab) to slow the wheels of government, thereby preventing it from legislating recklessly. BuSab is allowed to sabotage and harass the governmental, administrative, and economic powers in the ConSentientcy. Private citizens must not be harassed, and vital functions of society are also exempt.

Jorj X. McKie is a born troublemaker who has become one of BuSab's best agents. Drafted for the impossible task of establishing meaningful communication with an utterly alien entity who defies understanding, McKie finds himself racing against time to prevent a mad billionairess from wiping out all life in the ConSentientcy.
