Allison Lee is seventeen and off to college in the fall. So far, she's been in love once (total catastrophe) and on fire twice (also pretty bad). Both love and fire have left their scars.

Looking a little more burnt chicken and a little less radiant phoenix, Allison takes up residence in Dylan Hall (a.k.a. Dyke Hall) at St. Joseph's College, where she discovers the true gift of freshman year: the opportunity to reinvent yourself. Miles away from the high school she's happy to leave behind, her all-female dorm is a strange new world, home to new social circles and challenges. Allison still feels like the odd girl out ... until Shar appears. Beautiful and blinding, Shar quickly becomes the sun at the centre of Allison's universe, drawing her in with dangerous allure.

Will Allison get burned again? And, if she does ... what kind of scars will she earn this time?
