Half Black Soul (The Alexa Montgomery Saga) H. D. Gordon

In the past few weeks Alexa Montgomery has had her entire world flipped upside down. She's gone from living a semi-normal teenage life to a life full of vampires and werewolves who all expect her to deliver them from the control of an evil dictator. Alexa is the last of her kind; a Sun Warrior whose skills are unmatched by any other creature. Now she has left the safety of Two Rivers and gone in search of her mother. With her is Kayden, a vampire who is the other half of her, and who will do anything to protect her. But by going on her quest, she has left behind her sister, the one person she was always told to protect. Secrets will come out, relationships will break and danger lies just ahead. Will Alexa be able to face it all and come out alive? And will she be able to protect her sister from danger when she is so far away?
