Ghosts of Burning Inn are getting ready for some of the biggest moments of their lives. It hasn't been long since Catherine Chang joined them that things are starting to change for them. It doesn't take them long to get more gigs and get a record deal. Life is good for everyone and Catherine's relationship with the lead singer, Ben Raymond, continues to flourish. Despite not having much time for each other, the two of them are as close as ever. However, the path to fame isn't as smooth as she expected. Her free time is virtually non-existent now. She struggles to balance school, work, the band, and her social life. She's even struggling with what she wants in the future. The band and Ben are a huge part of her world but so is everything else? Will she be able to handle all that fame has to give her? Just as she's about to make some decisions, another change comes her way...one that will affect the whole band and their future.
