Autopsia de un recuerdo (Spanish Edition) René Delgado

Pocas veces periodismo y literatura se han fusionado con tanta credibilidad y eficacia.

El autor de *El rescate* vuelve con *Autopsia de un recuerdo* a un mundo marcado por la sospecha, la violencia y el deseo de venganza del negocio de las drogas.

La complicada relación de un periodista con su amante y una ex modelo fascinada por el pasado guerrillero del narcomenudista que le surte droga, son el eje sobre el cual giran dos historias que, en el fondo, son una misma. La ejecución de ella y del "dealer" coloca en el centro de un torbellino al periodista: un obsesivo fiscal, un violento grupo de sicarios y el tío de la mujer asesinada lo asedian, ya sea porque ven en él a un sospechoso, una fuente con información privilegiada o a alguien en quien cobrar venganza.

Ligada a su anterior novela *El rescate*, pero sin ser su continuación, en *Autopsia de un recuerdo*, René Delgado cuenta otra historia con la tensión, el humor y la trepidación de aquella. Sin embargo, plantea en la emoción, las angustias, las convicciones y los intereses de los protagonistas. La contradicción de la naturaleza humana que así como hace brillar la vida, también la opaca... cuando no la apaga.
