Brigid Lucy: Brigid Lucy Needs A Best Friend Leonie Norrington

A great junior fiction series about what makes us do the naughty things we do! The imp in Bidy's hair thinks she should be Bidy's best friend, but Bidy longs for a human best-friend. All the girls at school already have best friends, so Bidy plans to find a friend outside of school. Her plan is to head to the park on Friday with her Frisbee and see what transpires... But Mum is 'expecting again', and is too tired to take Bidy to the park. So Bidy accuses her mum of not wanting Bidy to have a friend, and then yells at her. When Bidy is sent straight to her room to think things through for ten minutes, it is the start of a whole string of consequences that get more and disastrous as the day wears on. The next day is even worse... especially as the imp does her best to keep Bidy for herself.
