The eagle is a mighty bird, characterised by powerful flight and wide, sharp sight. It symbolically stands for clear vision, focus and strength. The Bible often uses the image of an eagle to help people perceive their lives from a divine perspective. This visually arresting, thought stretching book encourages you to hold on firmly to your vision and focus. You can become like an eagle, never giving up and flying to the highest of highs over and over again. God has so much more ready for you than you could ever think or dream of. Leo Bigger's advice is: "Take on the perspective of an eagle. Never give up on the vision of your life!"
