"People can be happy only in one way, and that is if they are authentically themselves. Then the springs of happiness start flowing; they become more alive, they become a joy to see, a joy to be with; they are a song, they are a dance." – Osho

Decades after the rebellions of the 1960s a new generation is again challenging and rebelling against outdated structures and values, focusing on political and economic systems and their failings. But this generation has the opportunity and responsibility to move the development of human freedom to the next level. *Living on Your Own Terms* will support this new generation in expanding its understanding of freedom and pushing toward new systems for humanity.

The Osho Life Essentials series focuses on the most important questions in the life of the individual. Each volume contains timeless and always-contemporary investigations and discussions into questions vital to our personal search for meaning and purpose, focusing on questions specific to our inner life and quality of existence.
