## Lost Souls: Nameless Days Mel Odom

The end of the current world cycle on the Mayan calendar is drawing near, and Nathan Richards has accepted his fate. He is the chosen one who must win humanity's place in the next world. All he has to do is navigate the treacherous tempers and caprices of Mayan gods and spirits and meet the expectations of his mother, whom has passed away and speaks to him in the spirit world.

Ah Puch, the Mayan god of the dead, sees the whole situation as a game with very high stakes, and he does not take losing lightly, particularly to a human teenage boy. He is determined that it will never happen again—and that Nathan will use his powers for the benefit of the underworld.

Steeped in suspense and satisfying in its final battle, *Nameless Days* brings the *Lost Souls* trilogy to a heart-stopping, surprise-filled conclusion!
