Mahabharata Book Seven (Volume 1): Drona (Clay Sanskrit Library) Vyasa

After Bhishma is cut down at the end of the previous book of the **Maha-bhárata**, the book which bears his name, Duryódhana selects Drona as leader of his forces. Drona accepts the honor with Bhishma's blessing, despite his ongoing personal conflicts as mentor to both the Pándava and Káurava heroes in their youth. The fighting rages on, with heavy losses on both sides. Furious and frustrated, Duryódhana accuses Drona of collaborating with the enemy, but he replies that as long as Árjuna is on the field, the Pándavas will remain invincible. When Árjuna is finally diverted from the main action of the battle, Yudhi-shthira entrusts Árjuna's son Abhimánu with the task of making a breach in the Káurava formation. Abhimánu rampages through Drona's army, but at last is cornered by several Káurava warriors and finally killed by Jayad-ratha.

Co-published by New York University Press and the JJC Foundation
